

Dear Patient,

It is important that you follow the guidelines listed below in order to help ensure you are seen in a timely manner and that correct data regarding your visit is obtained. Please read and initial the following statements:

_____The first thirty to forty-five minutes of your appointment will be spent with check-in, insurance, paperwork, and x-rays. **At minimum, you should allow two (2) hours for your first visit.**

_____It is mandatory that you bring all **current insurance cards, forms, driver's' license, and necessary referral letters** with you at the time of your appointment. This allows for proper billing and insurance approval.

_____If you cannot make your appointment, we respectfully ask that you notify our office twenty-four (24) hours in advance. **A \$25 no-show fee will be imposed for any appointment that is not canceled with a 24-hour notice.** Repeatedly not showing for your scheduled appointments may result in being discharged from the practice.

_____If you are late for your appointment, please call ahead and notify our office. If you arrive fifteen (15) or more minutes late, you may be required to reschedule for a different date and time.

_____Prior imaging and operative reports relative to the injury should be brought the day of your appointment. **Please bring reports only. We will not accept any CDs.**

_____You may be asked to change into a gown and/or shorts for your exam. For your comfort, you may choose instead to follow these recommendations (be mindful that there could be instances when you will be asked to wear a gown/shorts):

-**Knee Exams:** Wear or bring loose-fitting, non-denim shorts (no snaps, buttons, zippers, or plastic).

-**Hip Exams:** Wear or bring non-denim shorts, sweatpants, athletic pants, or pull on type pants (no snaps, buttons, zippers, plastic, or metal grommets, embroidery or screen printing).

-**Back Exams:** Wear or bring non-denim pants and a sports bra (no snaps, buttons, zippers, plastic or metal grommets, screen printing, or embroidery).

-**Shoulder Exams:** Wear or bring a t-shirt and sports bra (no snaps, buttons, or underwire).

Pre-registration allows us to validate your demographics and insurance more quickly during your visit. This saves you time in the waiting room and helps us move your appointment along more quickly! **Please complete the following paperwork, along with this cover sheet, and email or fax it at least two days prior to your appointment.** If possible, please also scan a legible copy of your insurance card(s) and driver's license along with your forms (please send scans only-- no photos!).

Fax: (405) 513-7739

Email: frontdesk@hargrovemd.com

If it is less than twenty-four (24) hours before your appointment, please bring your registration paperwork with you instead of emailing or faxing it; our office needs twenty-four (24) hours to process registrations that are faxed or emailed.

AUTHORIZATION FOR MEDICAL TREATMENT: The undersigned has been informed of the treatment procedures considered necessary for the patient and that the treatment/procedures will be directed by a physician and performed by employees of Orthopedic Solutions. The undersigned understands that no guarantee or assurance has been made as to the results that may be obtained from treatment. Authorization is hereby granted for treatment.

INFORMATION PRIVACY: Orthopedic Solutions will use and disclose your personal health information to treat you, to receive payment for the care we provide, and for other health care operations. Health care operations generally include those activities we perform to improve the quality of care. We have prepared a detailed NOTICE OF PRIVACY PRACTICES to help you better understand our policies in regards to your personal health information. The terms of the notice may change with time and we will always post the current notice at our facilities, on our website and have copies available for distribution. The undersigned acknowledges receipt of this information and has refused to retain a copy.

RELEASE OF INFORMATION: Orthopedic Solutions is hereby authorized to disclose all or part of my information regarding medical condition, treatment and prognosis to insurance carriers, other treating physicians, trainers, rehabilitation nurses, orthopedic technicians and/or coaches. I agree that Orthopedic Solutions may request and use my prescription medication history from other healthcare providers or third-party pharmacy benefit payors for treatment purposes. I also authorize Orthopedic Solutions to utilize medical information obtained during the course of my treatment in medical research and education programs, provided my name and likeness are not revealed and my privacy is completely protected.

ASSIGNMENT OF INSURANCE BENEFITS: In the event the undersigned is entitled to benefits of any kind whatsoever arising out of any policy of insurance insuring the patient or any other party liable to the patient, said benefits are hereby assigned to Orthopedic Solutions for application on the patient's bill. The undersigned, and/or patient agrees to be responsible for charges not covered by the assignment, including deductibles and co-payments prescribed by law.

FINANCIAL AGREEMENT: In addition to accepting traditional insurance plans and Medicare, we are contracted with numerous, Preferred Provider Organizations (PPO) and Health Maintenance Organizations (HMO). Because each plan is different and constantly updating providers' participation status, please check with your particular plan to make sure we are currently participating in your network. We ask that you assist us in maximizing your insurance coverage by cooperating fully in all referral, prior-authorization and precertification processes. Please be aware that all insurance carriers do not consider some services rendered a covered benefit. It is important that you are aware of your insurance policy provisions of coverage. Accurate, up to date information is the patient's responsibility; please notify our office of any changes in your insurance or personal billing information. Please bring your current insurance card, or any other information that is required by your insurance carrier, to each appointment. By maintaining updated information, this ensures that your medical claims are filed correctly and prevents any unnecessary delays in processing your claim.

Payment for all co-insurance, deductible, and non-covered services are due at the time of service unless special payment arrangements have been made. Payments can be made by cash, check, money order, Visa, Discover Card, American Express, or MasterCard. We do have payment plans for patients who have financial concerns. Please notify our billing office at (405) 705-3191 to make payments or set up payment plans. Please be aware that charges for physical therapy, durable medical equipment (DME), laboratory testing, anesthesia, hospital, ambulatory surgery facilities, and some radiology services may be billed separately.

If your injury was due to a Motor Vehicle Accident, you will be set up on a self-pay account. You will be responsible for all charges incurred at time of service, in accordance to our Self-Pay Policy.

Self-Pay charges are due at time of service. Charges will be incurred at a rate of 100% for the first visit and 50% for the following visits.

There is a \$25 charge for any FMLA, disability, or accidental form completed. This charge is applicable per form completed and is payable prior to completion.

MEDICARE AUTHORIZATION: I authorize any holder of medical or other information about me to release to the Social Security Administration and Center for Medicare Services (CMS) or its intermediaries or carriers any information needed for this or a related Medicare claim. I permit a copy of this authorization to be used in place of the original, and request payment of medical insurance benefits, either to myself or to the party who accepts assignment. I understand it is mandatory to notify the healthcare provider of any other party who may be responsible in paying for my treatment (Section 1128B of the Social Security Act and 31 U.S.C. 3801-3812 provides penalties for withholding this information). Regulations pertaining to Medicare assignment of benefits also apply.

THE UNDERSIGNED CERTIFIES THAT HE/SHE HAS READ AND UNDERSTANDS THE FOREGOING, IS THE PATIENT OR IS DULY AUTHORIZED BY THE PATIENT TO EXECUTE THE ABOVE, AND ACCEPTS THE TERMS THEREOF.
